# Week 1 Newsletter - Friday 12<sup>th</sup> October 2018

## WELCOME BACK PRINCIPAL'S REPORT

Welcome back to Term 4. I hope everyone had a chance to relax with family and friends and enjoy the beautiful spring weather.

Term 4 is always busy, action packed and full of fun and excitement. We have a number of special events this term including Grade 5&6 Water Safety and P – 2 Swimming, Junior School House Sports, Grade 6 Graduation, as well as a number of excursions and incursions. Please refer to dates published through class notes and also through our Level Newsletters (week 2 and week 8).

### SCHOOL REVIEW

On Wednesday our school had the 1<sup>st</sup> of three days as a part of our 4 Yearly School Review. It was a very busy day reviewing school data and practice with our Review Panel. It is great to report that whilst busy, it was a fantastic opportunity for us to take time out of our schedule and focus on what our school is doing really well, and areas that could be a part of our improvement journey forward. We have two further days as a part of our School Review process, with our final panel day on Wednesday 25<sup>th</sup> October.

Following the conclusion of our School Review, I look forward to sharing the direction and key improvement strategies our school shall take for the next four years, and working together as a community in building upon our great strengths, and actioning key improvements to continue to make Frankston an amazing school for all of our students.

### SECOND HAND UNIFORM SWAP & SELL

A reminder that our parents are holding a Second hand uniform Swap & Sell afternoon. This will be held on Wednesday 17<sup>th</sup> October, 3pm – 3.30pm.

### HATS HATS HATS

Please remember that school broad brimmed hats or legionnaires sun smart hats are now required for all students. All students must have hats for all outside activities. There a number of hats that can be purchase at our front office or please see our uniform supplier Beleza.

### ARE YOU INTERESTED - PARENTS & CARERS COMMITTEE – COMMUNITY CONNECT

I have heard a number of parents and carers who may be interested in discussions about the possibilities of establishing a Parent & Carers Committee – Community Connect. Parent committees work as a Sub Committee of School Council.

I am certainly very interested in talking about these possibilities further with our parent and carer community.

I would like to extend an invitation to our parents and carers who are interested in initial discussions of this committee to attend a get together with myself on Wednesday 31<sup>st</sup> OCTOBER 9.15AM in the library.

Please fill in the RSVP below to allow for set up to cater for numbers attending, and return the below slip to the front office. If you are unable to attend this initial get together but are interested in further meetings – please feel free to ring our office to pass on your name and number.

Renée Kennedy
