Principal's Report

School Photos

Thanks to all of our parents for ensuring that your children were looking beautiful for their photos this week. I walked past a couple of classes whilst they were being set up and they looked fabulous. We are looking forward to seeing the photos when they are ready.

Open Night - Education Week

"Open Night" is on Tuesday Night next week. Open Night is a fabulous night where we celebrate our wonderful school and the varied programs we provide. On this night, we will be cooking dinner for you all. There will be snags on the BBQ and soft drinks for sale and we invite you all to come and have your dinner at school and enjoy the activities we have planned on the night.

We will start the entertainment off with our Aerobics team. Our drumming group, our Ukulele group and our Choir will follow this. After these exciting events, the classrooms will be open for you to have a wander through. There will be an activity in the art room and children's work will be on display. Activities will be happening in each room so please take your time and have a good look around our wonderful school. Our Human Powered Vehicles will be on the lower basketball court for students to ride.

Open night is a great time for prospective parents with kinder aged children to come along and see our school, so if you have friends who are intending on enrolling their children here for prep next year let them know about the night. The night starts at 6:00pm with our BBQ, and activities will begin at about 6:45pm HOPE TO SEE YOU ALL THERE.

Prep Tours

Term 2 is the time that we start to get many enquiries about the preps for the following year. At Frankston, we conduct individual tours for interested parents and all you have to do is ring the school on 9783 3769 to make an appointment. If you have any friends who are looking for a school for their Prep child for 2018 please ask them to contact the school. We would love to meet them and show them around our fabulous school. If you have some friends who would like to see the school, bring them along for our Open Night next Tuesday.

Aerobics

Congratulations to our Aerobics teams on their outstanding performances last Saturday. Both teams did very well with the Divas going heading into the state competition in three weeks and the Stars will be participating in the wildcard section. Wishing both teams all the best for the next round and once again congrats to our fabulous coaches.

Cross Country

Our School Cross Country team participated in the District Championships today and the first few races were run before the newsletter was published. Congratulations to all of our team but a special congratulations to Summer Wilson who finished 3rd in her event and will go on to represent the school at the next level. Great effort Summer. All the best to those who are still to compete. Hope you all try your best.

Morry Rubinstein
Principal
