Volunteer Occupational Health and Safety (OHS) Induction Handbook

Introduction

To comply with the requirements of the Victorian Occupational Health and Safety (OHS) Act 2004 and the Victorian OHS Regulations 2017 the Department of Education and Training (the Department) has implemented an OHS Management System (OHSMS) in all Victorian Government schools.

The OHSMS requires all volunteers to:

- provide current COVID-19 vaccination information
- report to the general office or designated site contact upon arrival at site
- complete an OHS induction using the Volunteer OHS Induction Checklist
- sign in and out and ensure their visitors pass is worn at all times whilst on Department or other premises
- have a current Working with Children Check, where applicable.

Health, Safety and Wellbeing Policy

Scope: This Policy applies to all employees, students, visitors, volunteer workers and contractors in Department of Education and Training (DET) workplaces and activities, and instances when performing work offsite.

Commitment and Principles: DET values and supports its people and is legally and morally committed to ensuring healthy and safe working and learning environments. DET recognises that employee health, safety and wellbeing (HSW) is integral to achieving excellent educational and work performance outcomes and commits, so far as reasonably practicable to:

<p>Prevent workplace injuries and illnesses:</p> <ul style="list-style-type: none">• by identifying, assessing, controlling, monitoring and reviewing hazards and associated risks under the control of, or as a result of undertakings conducted by DET• by promoting the reporting of incidents and hazards and investigating where appropriate, to prevent re-occurrence• by providing and maintaining workplaces that are safe and healthy without risks to mental health.	<p>Enhance workplace culture:</p> <ul style="list-style-type: none">• by actively demonstrating and promoting a positive, inclusive and supportive working environment• promoting an HSW reporting and learning culture• by recognising the importance of flexible work arrangements and family friendly work practices in maintaining a diverse, adaptive and high performing workforce.	<p>Consult, collaborate and communicate with employees including health and safety representatives and other groups within DET:</p> <ul style="list-style-type: none">• on identified hazards and proposed decisions and changes that may affect the health and safety of persons, including: job role, systems of work, plant and substances and workplace facilities• on issue resolution processes• on provision of information, instruction, supervision and training• by providing employees with a reasonable opportunity to express their views and concerns and taking account views expressed during consultation.
<p>Allocate adequate resources:</p> <ul style="list-style-type: none">• by providing an Occupational Health and Safety Management System that is sustainable and consistent with the risk profile of DET operations• by promoting access to support services, information and training• by providing and maintaining physically safe and healthy workplaces.	<p>Provide transparent and robust information, training, instruction and documentation:</p> <ul style="list-style-type: none">• on individual health and safety accountabilities for all employees across DET• on legislative and DET HSW requirements.	<p>Drive continuous HSW improvement:</p> <ul style="list-style-type: none">• by using evidenced based data to inform DET strategic direction and measurable objectives• by monitoring and reporting on HSW performance outcomes• by strengthening leadership capability• by maintaining, monitoring and reviewing the OHS Management System

DET employees, visitors, students, volunteer workers and contractors are required to take reasonable care for their own and others' health and safety and will co-operate with DET in adhering to health and safety requirements including following DET policies, procedures or instructions and participating in consultation and training.

DET's OHS Management System sets out how this policy is to be implemented.

Required conduct/behaviour

All volunteers are expected to abide by the workplaces code of conduct while on site.

This includes:

- No smoking on school grounds or within four metres of an entrance to all Department workplaces.
- No alcohol or drugs are to be consumed on any Department premises. Any volunteer under the influence will be dismissed.
- No offensive language is permitted on any Department premises.
- Noise must be kept to a minimum. If this is not practicable, then non-urgent work should be scheduled outside of school hours, where possible.
- Possessions, materials, and equipment should be secured and not left unattended.
- Abide by the workplaces traffic management procedures.
- Entrance to other areas of the Department workplace aside from the work area is prohibited, unless otherwise agreed to.
- Remove all litter and debris from the workplace.
- Report any problems, hazards, or incidents to the principal or their delegate.
- Dress appropriately and wear the correct personal protective equipment suitable.
- No pets are permitted on Department premises.

Access arrangements

Access

All volunteers must report to the general office or site contact and sign in upon arrival at the workplace or designated point where not on Department premises. This requirement is indicated on signage located at all entrances to the school, see below:

Traffic Management

Volunteers are NOT to enter the school grounds using any vehicles.

If a volunteer is to enter the school grounds using a vehicle, permission will be granted by the Principal or Assistant Principal only. In this case, all vehicles entering school grounds must adhere to all traffic signage and a teacher spotter MUST be utilised at all times.

Volunteers will not be granted permission to enter school grounds using vehicles within these times:

- Morning: **8am – 9.30am**
- Recess Period: **10.50am – 11.45am**
- Lunch Period: **1.15pm – 2.45pm**
- Pick up: **3pm – 4pm**

Site specific hazards

Asbestos

All schools are expected to have a Schools Asbestos Management Plan in the event of the discovery of suspected asbestos containing material (ACM) or the accidental disturbance of existing ACM.

If ACM has been identified in the school, the following process must be followed prior to the commencement of works:

- Asbestos Register **MUST** be checked at the time of sign-in when the proposed work involves drilling, scraping, sanding, sawing or any other destructive process.
- if work is to be carried out in the vicinity of Asbestos Containing Material, the Asbestos Coordinator [**Insert Asbestos Coordinator's name and work phone number**] must be consulted prior to the commencement of work.
- asbestos containing material may only be removed by a licensed removalist.

Hazardous Substances and Dangerous Goods

If transporting hazardous substances or dangerous goods onto site, the principal or their delegate must be informed. You must complete a Safe Work Method Statement or equivalent to outline the controls methods you will use to ensure that the risks of the hazardous substances and/or dangerous goods are managed.

Such controls may include, but are not limited to:

- the provision of Safety Data Sheets (SDS)
- correct labelling of containers
- correct storing and handling of containers
- correct disposal of any waste
- provision of personal protective equipment (PPE).

Animals/Wildlife

There is the potential to come into contact with domestic animals and wildlife while on this site. Should this occur, you must:

- do not approach any domestic animals (e.g., dogs) or dangerous wildlife
- report the sighting of any domestic animals or dangerous wildlife to the principal or their delegate
- do not reach into any holes or gaps in the buildings without first checking to see if it is safe.
