

FRANKSTON PRIMARY SCHOOL

PARENT PAYMENT SUMMARY 2022

XX/XX/XX

Dear Parent/Carer of **XXX**,

Frankston Primary School is looking forward to another great year of teaching and learning and would like to advise you of Frankston Primary School's voluntary financial contributions for 2022.

Schools provide students with free instruction to fulfil the standard Victorian Curriculum and we want to assure you that all contributions are voluntary.

Nevertheless, the ongoing financial support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This makes a huge difference to our school and the programs we can offer.

On-going financial support from our parents and carers has allowed our school to:

- Upgrade our grounds facilities including netball/volley ball courts to new acrylic surfacing, our new school community electric BBQ, upgrade of sound system in the hall
- Begin a new ICT device lease for 2022 – with upgraded devices including increasing our fleet of devices to much closer to 1:2 devices in our classroom shared sets and allowing greater flexibility during remote learning
- Buy new sports equipment including new basketball backboards
- Purchase new decodable readers
- Sustain online subscriptions to support student learning in the classroom and at home
- Purchase new library books
- Refurbish our male student toilets
