

FRANKSTON PRIMARY SCHOOL

PARENT PAYMENT SUMMARY 2024

XX/XX/XX

Dear Parent/Carer of **XXX**,

Frankston Primary School is looking forward to another great year of teaching and learning and would like to advise you of Frankston Primary School's voluntary financial contributions for 2024.

Schools provide students with free instruction to fulfil the standard Victorian Curriculum and we want to assure you that all contributions are voluntary.

Nevertheless, the ongoing financial support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This makes a huge difference to our school and the programs we can offer.

On-going financial support from our parents and carers has allowed our school to:

- Maintain our high-quality grounds and facilities, including employment of grounds maintenance person
- Continue our ICT device lease across Prep – Grade 6
- Buy new sports equipment
- Purchase new literacy texts for student reading Years 3 – 6
- Purchase new maths equipment to support student learning Prep – 6
- Purchase student wellbeing materials in support of positive student emotional and social learning
